If Dad is a meat lover then we reckon our Big Daddy Bundle might just be the perfect Father's Day gift!

When Dad opens his **Big Daddy Bundle** he'll find a jaw dropping, drool inducing, impressive rib on the bone + THE BEST beef rub on the planet - Barbecue Mafia Steakout (Billy won't use anything else on his steaks).

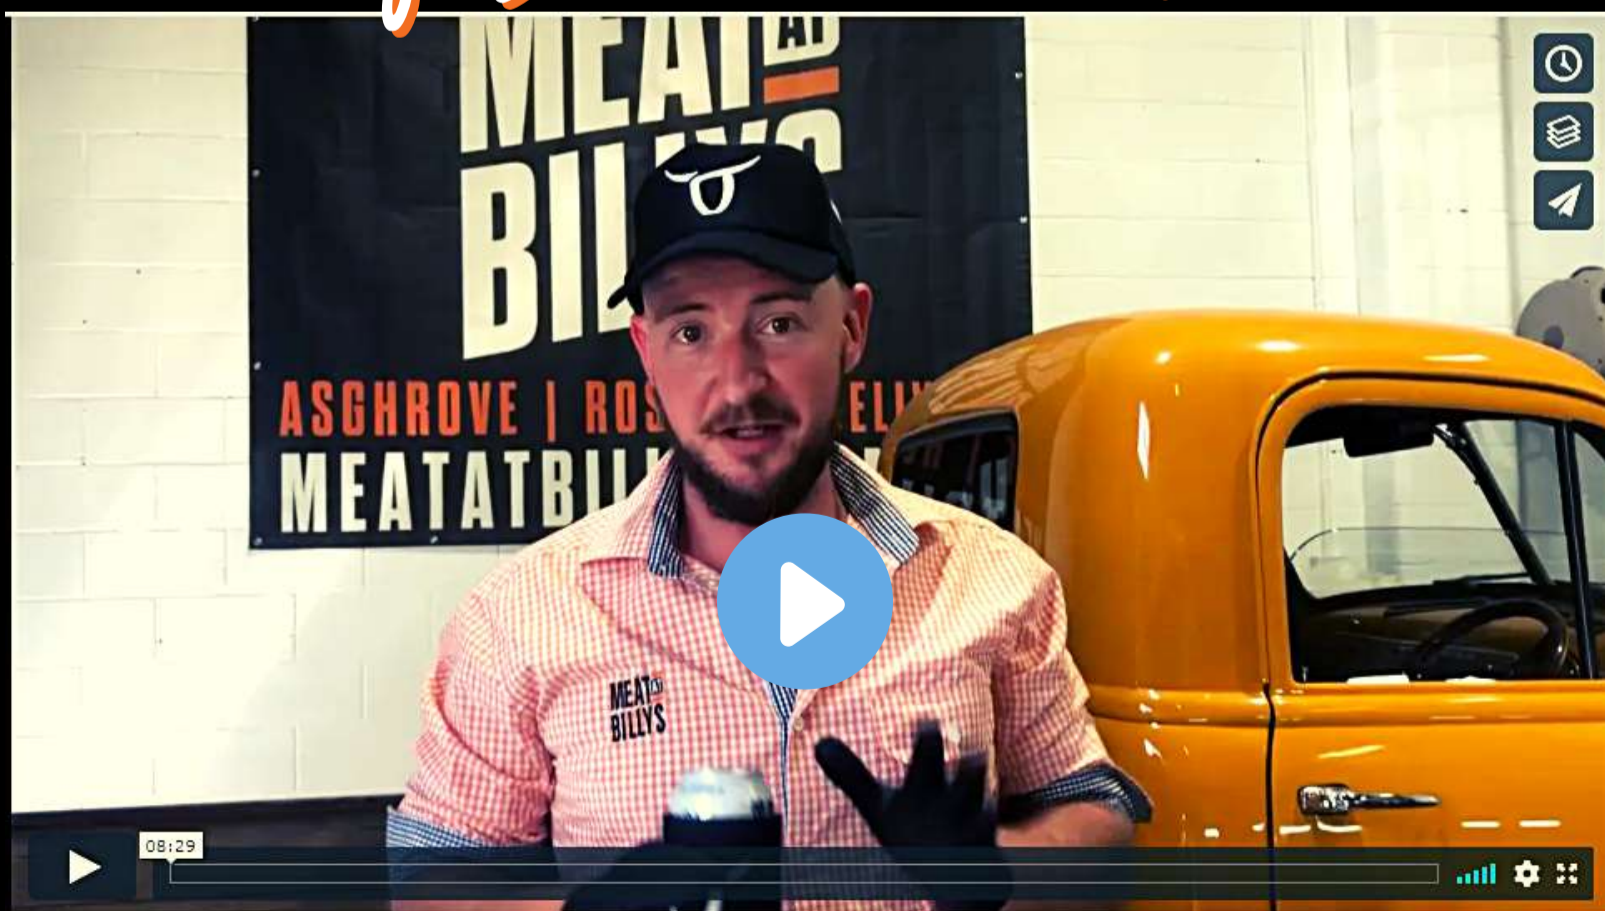

He'll also find some 'on trend' Meat at Billy's merch including one of our MAB truckers caps & a MAB stubby cooler that will certainly come in handy because Billy's throwing in one of his favourite beers too!

But wait... there's more! Billy's also made a short downloadable video wishing Dad a Happy Father's Day sharing some great tips on cooking his rib on the bone.
