ABOUT US

Meat at Billy's first opened its doors in Ashgrove, Brisbane in 2009. Our commitment to quality and impressive customer service has seen Meat at Billy's expand to a second store in Paddington & a successful online business. Brisbane residents can order online & select from our large range of premium products to be delivered to their door.

OUR HAMS

Our free range hams are sourced locally & expertly prepared by another award winning business, Gilly's Smallgoods. These hams are lightly cured & double wood smoked for 12 hours. No short cuts here. All hams are gluten & allergen free.

OUR GLAZE

Our Meat at Billy's Peach & Mustard Ham Glaze is made using our very own recipe showcasing the seasonal Summer fruit - Golden Queen Peaches. We wanted a ham glaze that epitomised the hot Australian Christmas's that we all know and love.

OUR WINES & SPIRITS

We've lent on the experience & expertise of our good friends in the hospitality & wine industry to help curate our list of premium Australian beer, wine & spirits.
